

April 28, 2020

Dear Destiny,

I want to alert you to a huge COVID-19 related need right here in our community and one that we can help meet. [Tree of Life Ministries](#) in Leesburg has reached out to us to see if we can assist families who are unable to pay their rent due to job loss. While there is some assistance for these families, that help falls far short of what is needed to keep these people in their homes.

Since hearing about this, I've wondered how we, Destiny Church, might be able to help. The size of this need is beyond our normal financial ability, yet I feel that we need to respond. While thinking and praying about this, **I realized how we could make a dent in this problem.**

One of the first things our church staff did when we could no longer meet on Sundays was to go through our monthly budget and freeze all expenses other than those that were absolutely necessary, such as rent and salaries. This savings amounts to about \$20,000 per month. So here is our plan:

We simply need to be faithful in giving our regular tithes and offerings to Destiny. If we do that, we will hit our projected income, and then **we can give all of our monthly expense savings to Tree of Life to help the people who need it the most!** As a starting point, we want to commit to this endeavor for the months of May and June. If we are simply faithful in our giving, we will be able to commit approximately \$40,000 to this need. That is the power of working together as a church.

I want to encourage you to give generously during this time. Be faithful. This is our opportunity to be a blessing to those around us who truly need to be blessed.

I love you,
Greg
